Fiscal Budget \$97,000 Higher

Councilmen hit the home stretch in the '58-'59 budget derby next Monday night, having already approved major department requests that have hiked the total by \$97,000.

City Cites Hog Farms 'Hazards'

Alerted by the high school officials and McKeon developers, the council Monday night ordered immediate action to eliminate the health hazard status of the old hog farms in the St. Francis Heights subdivision lands near Westmoor High.

City Manager Howard Stites said the number of rats roaming the area constitutes a "health and welfare hazard to the city." Councilman Francis Pacelli, making an on-the-scene check Sunday, said the conditions on the property were "deplorable."

The county, called in about two years ago to correct a similar rodent situation here, will be summoned again to check the situation, costs of which must be borne by the city.

South San Francisco already has protested the conditions on the hog ranch property in its territory south of the McKeon lands.

COLMA WOMAN HEADS COUNTY SCHOOL BOARD

Mrs. Stella L. Jensen, 490 D Street, Colma, was elected president of the San Mateo County Board of Education at its reorganization meeting Saturday, succeeding Mrs. Alice J. Foley of San Mateo.

Mrs. Jensen, representing the northern portion of the county, now assumes her third chairmanship in a long history of school service. She previously held a similar position on the Jefferson High School board and subsequently on the San Mateo Junior College board of trustees.

At the organizational meeting the County Board of Education approved a long list of teacher credentials and life diplomas.

Other business included arrangements for members to attend the California School Board Association's annual convention in San Diego in October and the date for the August meeting, set for August 29 at the office of the county superintendent of schools, 538 Jefferson avenue, Redwood City.

DC RESIDENT STRANDED IN CONFLICT AREA

Charles J. Usery, 499 Willits street, is one of six Bay Area residents stranded in the strife-torn Middle East.

He is employed in Iraq by the Morrison-Knudsen construction firm, building a road from Basra to Amara. Basra is 400 miles from Baghdad, capital of Iraq.

Officials of the American firm, according to the wire services, have made plans to evacuate their workers. Usery's family here could not be contacted for comment.

Citizens Call Rally For 'Yes' On School Tax

Last-ditch appeal by the citizens' Save-Our-Schools committee begins next week with a giant rally scheduled Thursday evening in the multi-use room of Garden Village school.

The sessions, designed to encourage "yes" votes in the Jefferson Elementary District's special tax election on July 29, starts at 7:30 p.m.

Co-chairman Arthur Huebse and Martin Orloff also report plans are complete for a massive "get-out-and-vote" parade, set for Monday night, June 28, eve of the important election. The parade will begin outside War Memorial Community Center.

ELEMENTARY BOARD 'UNITED' FOR TAX

After much wrangling, set off by the "justification" demands of two new members, elementary school trustees last week unanimously endorsed "yes" at the polls in the district's special tax election of July 29.

The long-overdue "complete" board endorsement, which had citizens puzzled and divided on voting for the tax hike, was affected, however, with the provision that the tax ceiling would not be allowed to exceed a rate of \$2.20 per \$100 assessed valuation before 1961—unless it "met with the wishes of the people."

This qualification, passed by 3-2 board vote, was won by trustee Thomas Noonan, who along with fellow board new-

comer Frank Verducci had challenged the "need and feasibility" of asking a tax hike to a \$2.50 maximum from the present \$1.50 rate.

Board chairman Joseph Lewkowitz swung his vote to Noonan and Verducci for the qualification as a guarantee to residents that they would have something to say about increasing the tax rate should the district need a higher than \$2.20 rate within the next few years.

Veteran trustees Katherine Mullen and Mike Callan refused to make the \$2.20 qualification unanimous. They voted "no," claiming that to adopt such a resolution would "bind future boards, an action

that we cannot take." Noonan and Verducci have not challenged the need for a tax increase — only the \$2.50 ceiling which they oppose as "too high, in view of the failure of the election in May for

NEW PERSHING SCHOOL LOAN IN AUGUST?

"Victory" in the long-standing battle for the new General Pershing school may be at hand.

State Allocations Board in Sacramento last week informed a Daly City delegation of administrators and parents that the long-delayed \$400,000 loan decision would be considered by the board early in August. The session is set for either San Francisco or Berkeley, August 5 or 7.

San Francisco school and county officials, who blocked the loan via their protests against the "intrusion" on their property, were conspicuously absent last week. Officials here feel they are satisfied with the readjusted site plan and will object no more.

The new Pershing plant, to be located at the county line and not far from the decadent old school, will house more than 550 students. It probably won't

CUPID SNEAKS INTO COUNCIL STUDY SESSION

Cupid politely interrupted the budget study session of the city council Tuesday night.

The Rev Roy Milam, Westlake Baptist church, asked the budget probes for use of the adjoining chamber.

A few minutes later, Milam united civilian seaman Albert Vander Bergh, 30, and Eneida Dominguez, 20, both of San Francisco, in holy wedlock.

The groom had to leave next morning aboard the USS Gaffey for the Philippines. He's a fireman on the transport.

Witnessing the nuptials to make the ceremony official were Mrs. Catherine J. Bartou of Westlake and Marchbanks' reporter Roy Hurlbert.

Mrs. Bartou and Hurlbert had been attending the council study session.

NEW MAN BY OCTOBER

Finance Boss Watts 'Temporary' Manager

In contrast to his supporters who battled in his behalf to the eleventh hour, Howard Stites quietly ended his three-year reign as city manager Monday night before a packed and vociferous council chamber.

As expected, his brief letter of resignation was accepted by 3-2 council vote. Stites merely requested vacation benefits and stated "it was a pleasure to serve Daly City."

Averts Vote

In office here since the spring of 1955, Stites, as per agreement with the split council earlier, thus averted a formal vote on his ouster. The showdown vote was ordered three months ago when Mayor Michael DeBernardi and newly elected Councilmen Edward Dennis and Bob St. Clair were successful in establishing July 28 for the vote on Stites. This reflected their platform policies which won at the polls on April 8.

Monday's outcome was a foregone conclusion. Councilmen Joseph Verducci and Francis Pacelli, pro-Stites from the start of the "firing" move, accorded the chief executive statements of praise for what they termed his "service to the community and wise and systematic leadership."

By unanimous vote, the five councilmen appointed George Watts, city finance officer, acting city manager. Replacement for Stites, whose duty officially ends with his granted vacation on August 20, is expected to be made by mid-October.

Job of seeking a new city manager has been placed by the council in the hands of the State Personnel Board screening committee which will advertise the vacancy, at fee, through August 15, when all applications must be returned.

This lay and professional board, which recently aided in the selection of new city managers for Fresno and Burlingame, will review the applications and qualifications of candidates then recommend the five highest men, in their opinion, to the Daly City council for screening and personal interviews. Deadline for beginning the interviews has been set for September 8.

Professional Advice

The council, in agreement for a change, held that the state agency should assist in the project instead of making the decision on its own. When Stites was chosen over about 30 candidates here three years ago, the selection was handled entirely by the council.

Councilmen St. Clair, Verducci and Pacelli worked in committee to formulate criteria for selecting a replacement for Stites, who did not reveal his immediate plans.

By unanimous agreement, the council will base its selection on these qualifications:

1. A college graduate, preferably between the ages of 33 and 55.
2. At least three years experience.

JOHN NEWTON, COLMA MAYOR, DEAD AT 61

Funeral services were held Wednesday for John Newton, 61, mayor of Colma, who died Sunday at his home, 1450 Hillside boulevard.

Owner of the Olivet Flower Shop, he was serving his second term as mayor and was respected for his efforts in the community.

Born in England, John lived in Napa before moving to Colma after he served in the Navy during World War I.

Active and appreciated, Newton was a member of the DC-Colma Lions Club, Chamber of Commerce, Crocker Masonic Lodge No. 454, F&AM: Golden Gate Camp No. 64, WOW; C. C. Thomas Navy Post 244, and White Squadron Post 90.

Survivors along with his wife of 34 years, Gertrude, include a daughter, Elizabeth Craig, Linda Mar; three brothers, Alexander, Robley and Arthur; and six sisters, Mary Twohey, Ethel Daley, Greta Craig, Marjorie Siler, Frances Harriman and Barbara Swenson, all of California.

It Could Happen Here

STUDENTS in the elementary school district could face library supplemental book shortages as dramatized above if the July 26 special tax election

fails. Emphasizing the need for raising the operating tax from \$1.50 to \$2.04 are Lee Lester, Mrs. Marianne Hedrick and Mrs. Betty Brawley, members

of the Save-Our-Schools group. A \$2.50 tax ceiling is asked at the polls, though the tax this next school year would amount to just \$2.04. "Yes" at the pre-

dicts will cost homeowners here each an average of about \$50 more a year.

DALY CITY COPS EVEN THE SIDES TO MAKE ARREST

Roy Jones, 30, a San Francisco laborer, was arrested on charges of drunkenness, resisting arrest, creating a disturbance and assault and battery in Westlake last week.

Jones allegedly had been creating a disturbance at Tip's Drive-In when Officer Phil LaBruzze was notified. He gave chase to Jones' car and when

he finally halted it, he found Charlotte Jones, the man's wife, behind the wheel.

Meanwhile, Jones left the car and verbally challenged LaBruzze. Two passengers in the Jones' car, Ted Davis and Buford Baker, assertedly interfered when the officer attempted to handcuff Jones. Officers John Coleman, Ed Beecher and Dick Phillips then arrived to preserve the peace.

Jones' bail was set at \$275 cash or \$550 bond.

PROJECTS & BUDGET

Hi School District's Tax Will Stay Same

Budget-conscious high school trustees in special meeting Monday will weigh bids for the estimated \$300,000 job of site improvements at Westmoor High.

Bids for the project, expected to be completed by October, will be opened this Friday.

The work includes perimeter streets, gutters, sidewalks, realignment of Westmoor avenue, final grading, and completion of the lower athletic field.

Trustees authorized sale of \$390,000 more in bonds, bringing the district up to full bonding capacity. The district has sold \$1,135,000 in bonds from its last bond issue of \$2,900,000. The \$697,000 available now from bonds will go for the Westmoor site project and for the purchase of the fourth high school site in Linda Mar.

Morgan said the district must keep this cash balance high because state funds for the two new Coast schools will not cover all projected expenses.

The new budget, based on the same basic \$1.35 tax, includes an outlay of \$1,273,283 for personnel salaries and retirement, \$825,572 in undistributed and general reserve, and leaves the remainder, \$313,322, for all other expenses. The latter includes costs of instruction, maintenance and transportation, insurance, food service, capital outlay, and the like.

Trustees Monday fixed initial student populations for Pacifica schools. Sharp Park and Linda Mar, at 900 each. Both due to open in September of 1961, the plants will be financed under the state aid program, their enrollments increasing as the district becomes eligible for more classroom space, depending on the number of students.

Under long-range projections, the Linda Mar school could eventually house 1800 students, Sharp Park 1500. Sharp Park is master planned for 1200 pupils and Linda Mar 1500.

Morgan said that due to state fund eligibility requirements, Sharp Park and Linda Mar will open with such areas as shops and gyms much smaller than they eventually will be.

Architects for the Pacifica schools should get final board approval next Monday to go ahead with master plan drawings.

The district has its site in Sharp Park, and awaits the verdict of the Pacifica planning commission on the Linda Mar location.

District application for state aid hinges on all these step-by-step decisions.

Dee Van Nest, city recreation director, Monday night heard trustees agree, by motion, that they would sell seven acres of the 60-plus-acre Westmoor property to Daly City for a playground facility. Morgan said the price asked

(Continued from Page 1)

a \$2.20 tax ceiling, which failed, 1373 no votes to 935 yes.

Facing the budget filing deadline, trustees simultaneously last week adopted two '58-'59 budgets for publication. One projects the budget for next school year on the current tax rate under the austerity program. The second budget is competitive, which will be in force if the July 29 election is successful.

Should the election fail, the new budget will amount to \$2,090,318, compared to the '57-'58 budget of \$2,044,904—based on the \$1.50 per \$100 tax rate. Taxpayers now actually are paying \$1.63 per \$100 on the austerity program, the 13 cents extra going for the civic center tax, and certificated and classified personnel retirement.

The second budget, which hinges on the July 29 election, calls for a total of \$2,589,692, based on a tax rate of \$2.04 per \$100 for an estimated projected student population of 7500.

While homeowners now pay a total tax of \$1.63, "yes" at the polls July 29 means they will have to pay \$2.17 this next school year, based on the \$2.04 plus the restricted taxes, totaling 13 cents.

The \$2.04 rate, highest of the budgets recommended to the board by the administrative staff, is not based on an austerity program, but is competitive to allow the district to match the programs of other districts.

The Noonan-recommended \$2.20 ceiling actually would amount to a maximum of \$2.33, adding the 13 cents. Under the board edict last week, if this \$2.33 has to be exceeded by 1961, an "expression" of voters would be necessary.

3. The man must have general and overall managerial ability and will be paid on a scale starting at \$12,000 with a \$13,000 maximum.

Airport Session

The council earlier Monday night met at International Airport with Kenneth Byers, chief of the state personnel board, to firm the pact for the city manager screening committee. One councilman said the service would cost the city less than \$1000.

Watts, allegedly at odds with Stites of late, will preside as acting city manager at a salary of \$1000 a month. He is a rumored candidate for the vacancy, but no councilman would officially comment to verify or deny this prospect.

Monday's overcrowded session was surprisingly short, though stormy. Most of the agenda was consumed by the reading of letters from 16 residents protesting the ouster, asking that the council maintain Stites or else state specific reasons for the firing. Only one citizen sent a letter commending DeBernardi, Dennis and St. Clair for the move.

Several members of the "divided" audience took the podium to voice last-minute challenges to the council majority for the action against Stites.

WHAT'S DOING

You're likely to see earth-boring machines like this in action almost anywhere today. They're digging holes for new telephone poles. It takes only five or ten minutes to dig a hole, thanks to machines like this. Then power drills and pole-setting rigs help us put the poles in the places. With all these time savers, a two-man crew can usually put up about 15 poles in one day. You'll find phone people using the newest and fastest methods on a kinds of jobs. That means we can do a better, more efficient job for you.

These long July nights, it's pleasant just to sit around and chat with neighbors or the other folks in your family. And here's an idea: Why not bring the folks out of town on these little get-togethers. No matter where they live, they're no farther away than your phone. All you have to do is call them. It'll be a thrilling surprise for them—and lots of fun for you. If you check the sample rates in your phone book, you'll see the cost is low. So call tonight! Pacific Telephone

COUNCIL EDICT... A TURNING POINT

The council Monday night made a top-level change in administration, reportedly to restore harmony at city hall.

We believe the council is wise in enlisting the professional aid of the State Personnel Board in the quest for a new city manager by mid-October.

This agency, for a nominal fee, will summon and screen candidates for the job, forwarding its recommendations to the council which then will interview the top applicants.

Desired qualifications for a new chief executive have been established by three of the councilmen as a committee. Their recommendations won unanimous endorsement by the two other councilmen.

Despite the recent hassles and disagreements, it appears that council unity can be re-established with a minimum of delay.

It is essential that the five work together, their efforts concentrated on the promise of the future and not detoured by the disappointments of the immediate past.

We trust Monday's action will be a turning point in the direction of progress.

Scot Seeks Pen Pals For Anglo-American Club

Dear Mr. Bradshaw:

May I introduce myself? I am a Scot, (hometown—Edinburgh) now a civil servant in London. During the war I was a radio operator in the British Merchant Navy and I visited America many

times. I was always impressed by the kindness and hospitality shown to the "Limeys" like myself who were thrown up on your shores by the war.

I now have a lot of spare time and so as a hobby, I have started an Anglo-American Pen Club to enable children and teenagers in America and Britain to get to know each other better, exchange ideas, magazines, etc.

I already have a long list of young Britons who are eager to make pen friends in America but my difficulty is putting them in touch with young Americans of similar interests. I am, therefore, taking the liberty of writing to you in the hope that you will bring the club to the attention of your readers.

I am sure you will agree that only good can come from such a flow of correspondence across the Atlantic and if any of your readers are interested would you please advise them to write to:

DALY CITY'S OWN 'QUEEN MARY' VIES FOR 'FIESTA DREAM GIRL'

Mary Cunningham, 17-year-old Jefferson High beauty, will carry her "Miss Daly City" poise and posture to San Mateo this Thursday evening, when she competes for the county fair's "Fiesta Dream Girl" crown.

The sparkling blonde will be up against at least 13 other city queens in the judging at luxurious Villa Hotel.

Accompanying the Daly City miss will be Chamber of Commerce's Vince Murphy, Fred Martin and Peter Markovich. The municipal family will be represented by Mayor Michael DeBernardi and Councilman

Bob St. Clair. Mary, 5-3½, 37-24-36, is Daly City's fourth leading lady in the annual competition. A beauty queen from this area has yet to win at county level. The county winner presides over the Fair and Floral Fiesta, then goes to Sacramento for the State Fair contest.

Miss Cunningham has all the tangible assets needed for victory. Her abundant figure is matched by a warm personality.

"I have my fingers crossed," she said. "I know the competition in San Mateo will be very close—as it was here."

DALY CITY authoress and former Manila reporter Adalia Marquez has her book, "Blood On The Rising Sun," photographed by Carlos P. Garcia, president of the Philippines, during the latter's visit to San Francisco. She also got the signature of another close friend, Dr. Paulino J. Garcia (left), the island republic's secretary of health, one of the heroes of her World War II story. Mrs. Marquez will return to the islands this year to supervise the movie based on her book.

BPOA Backs Measures On Air Control

The board of directors of the Broadmoor Property Owners Association last week took official action in advocating strict and undivided control of the nation's airways by approving a resolution urging support of two Congressional bills, S. 3880 and H. 12616.

Citing the daily instances of "near misses" and frequent midair collisions between military and commercial aircraft, the resolution pointed to Broadmoor's location within the takeoff and landing patterns of aircraft using the San Francisco International Airport. This proximity, said the resolution, exposes the residents of Broadmoor to the dangers arising from such midair collisions.

U. S. Senate Bill 3800 and its companion legislation in the U. S. House of Representatives (H. 12616), seek to establish the Federal Aviation Agency, reporting directly to the president and empowered to control air traffic generated by military and commercial aircraft.

These bills, according to a BPOA spokesman, will solve a major portion of today's problems which are created by the existence of multiple agencies and conflicts in the administration of air traffic. Copies of the resolution, drafted and presented by Adriano G. Delfino, BPOA vice president, are being sent to U. S. Senators Knowland and Kuchel, and U. S. Representative Younger.

In other actions, the board received progress reports on its teenage program, heard spokesmen for the Save-Our-Schools Committee, and discussed plans to beautify the 87th street-Washington street entrance to the village. Details of the beautification plans will be studied and recommendations made by John Surabian, director and chairman of the board's village beautification committee.

Tuberculosis Hits 13 County Residents In Month Of June

Though 13 cases of tuberculosis were reported to the County Health Department for the month of June, the figure is still below that of June last year when 15 cases were recorded.

However, the TB rate still stands above the five-year median for the month of June which averages out to 10 cases.

Last month San Carlos had four cases; Daly City, Redwood City and Atherton two cases; and one each in South San Francisco, Menlo Park and the outside area of Menlo Park.

County Starts Rabies Vaccination Program To Protect Dogs, People

Rabies is still a public health problem in California.

In 1956 there were 303 reported cases of rabies in animals, of which nearly half were in dogs. Most of the remainder of cases occurred in wild skunks. Because of the threat to human life, it is important to control the occurrence of the disease in animals.

In order to do this, 10 counties and 90 cities have adopted ordinances requiring vaccination of dogs against rabies. Daly City does not have such an ordinance, but enforces one requiring two-weeks quarantine for dogs who bite people. During 1955 and 1956, 900,000 dogs were immunized in California.

San Mateo County has been fortunate the last 15 years in not having a case of animal rabies reported during this period. However, other counties in the Bay Area, including Marin, Alameda, Contra Costa and Santa Clara have had reported cases of rabies in the past year.

In the past few weeks, several cases have been reported from Santa Clara County. In the counties where rabies has occurred, the State Health Department has declared the area endemic for rabies, and compulsory vaccination of dogs over four months of age has been established.

In the interest of prevention, the Association of Peninsula Veterinarians and the County Department of Public Health and Welfare jointly are sponsoring a rabies vaccination program for San Mateo County. The veterinary doctors belonging to the organization have agreed to reduce their fees to \$3 with the hope that dog owners will take advantage of this reduced rate to protect their dogs and the community against rabies with the hope that San Mateo County will continue to be free of animal rabies infections.

All families with dogs are urged to see their private veterinarian for rabies vaccination at this reduced rate.

'Common Sense' Driving Urged By State Patrol

Use a lot of common sense driving on your vacation trip, advises the California Highway Patrol.

"Vacation time too frequently includes last minute preparations and problems delaying departure and inspiring excessive speed and chance-taking in traffic in an effort to make up lost time," declared Patrol Commissioner B. R. Caldwell. "The violations you make trying to gain time can lead to a sudden, shocking ending of a pleasant vacation."

The following tips are worthy of your consideration as you plan your 1958 vacation trip by car:

1. Obey all traffic laws, signs, and signals.
2. Schedule your driving time to allow for ample rest each day.
3. Load your car properly and avoid blocking of vision while driving.
4. If you use a trailer, remember the speed limit is 45 miles an hour for a vehicle-trailer combination.
5. Do not mix alcoholic drinks with your driving.
6. Do not try to make the return trip in one long jump—keep in mind that many accidents occur to drivers who are fatigued or sleepy and within a few miles of home.
7. Drive at a reasonable and steady speed, staying in the right-hand lane except when

Navy Rewards DC's Ed Kase

Edward L. Kase, 271 Fairlawn avenue, Daly City, today received a \$200 Superior Accomplishment Award from the Navy's Military Sea Transportation Service.

The award was presented by Rear Admiral Harold O. Larson, Commander MSTs, Pacific Area, at a ceremony in San Francisco.

Kase, who is employed by MSTs as a production control specialist, received his award for sustained performance of outstanding work.

The area command of MSTs is responsible for ocean transportation of Department of Defense personnel and cargo in the Pacific.

John Paul Jones, one of America's greatest sea heroes of the Revolution, who later fought for Russia when the U.S. disbanded its Navy, died July 18, 1792, at Paris, France. He was en route from the U.S. to Algeria to act as special envoy for President Washington.

overtaking and passing, and stopping occasionally for stretching.

8. Use headlights, not parking lights, as driving lights.
9. Make courtesy your companion and bring yourself and family home safely.
10. Always be prepared for the unexpected by driving defensively.

551 Meetings

DALY CITY COMMUNITY CENTER PLENTY BUSY PAST SIX MONTHS

Daly City's War Memorial Community Center did a whopping business during the past six months.

The Department of Parks and Recreation said today that since the new section was opened in January, a total of 551 meetings and special events have been held in the building. This includes organizations such as Boy Scouts, Girl Scouts, PAL, YWCA, garden clubs, Municipal Band, teen clubs, Girls Drum Corps, Compass Club, Royal Neighbors, Baseball Managers, KIP, VFW and Auxiliary, folk dancing, square dancing, and many others.

Many of the groups make use of the building's kitchen facilities which can accommodate 200 servings at a time. The city has provided some organizations with individual locker space.

The community center is open to all groups and organizations who wish to make use of its facilities. Reservations and arrangements may be had by calling the office of the Department of Parks and Recreation, PL 5-0850, Ext. 18.

New Radar Unit Will Aid Bay Flight Traffic

A major step in the separation of aircraft arriving or departing in the Bay Area, with resulting increased safety for passengers, will be achieved by the construction of a new 4-million watt, long range radar station at Scarper Peak in the hills west of San Mateo, County, announced today.

The powerful radar unit will enable Air Route Traffic Controllers to "see" air traffic to distances exceeding 100 miles from the Oakland Air Route Traffic Control Center.

This ability to actually see incoming and outgoing aircraft for such a long distance will greatly enhance the control of air traffic by permitting reduced separation between aircraft with increased safety, Younger said.

The radar facility, produced by Raytheon Company, is a dual channel unit capable of radiating power up to 4 million watts. Advanced design will reduce interference from the ground and precipitation interference which in the past has obscured aircraft targets under adverse conditions.

The Scarper Peak site in the hills west of San Mateo was selected by the Civil Aeronautics Administration as the optimum site for control of air traffic in the Bay Area.

Bids for construction of the vital project will be opened this week.

Younger said that the installation is an important link in the air control system now being established throughout the country and will prove of tremendous benefit to all aircraft using San Francisco International Airport and Oakland Airport.

The Town Record

By Roy Hurlbert

Monday's historic city council session, overflowing with verbal tirades and covered by at least five newspapers, surprised the boys in press box row.

The meeting didn't get rolling 'til quarter past the hour and ended shortly past 10. Quite brief considering the long agenda and the fireworks.

The outside press bombarded city brass with loads of questions. As is usually the case, these reporters didn't have too many facts on the situation before they were summoned to cover the showdown.

Turnabout-of-the-year distinction (?) belongs to JULIUS CASTELAN, former city engineer. He not only called off his taxpayers' suit against the elementary school board but last week ENDORSED the July 29 special election.

Apparently the well-intentioned gent is convinced the citizens working for "yes" votes were on the right track, after all.

Jeff High School District, skipped by versatile ED MORGAN, will have two new high schools by September of 1961. The Sharp Park and Linda Mar plants will open simultaneously, each with a beginning enrollment of 900. Linda Mar eventually will house 1800 students, Sharp Park 1500.

September of 1961 is the best time estimate on the new plants. It takes about three years for a new school to become a reality — after it is hatched in the minds of trustees.

There are few overnight decisions in the business of running the schools. Administrators and trustees have no easy road to hoe.

Along the same line, August is budget adoption time for governments and school districts. Public hearings next month climax long weeks of trimming and paperwork for the professionals and their counterparts, trustees and councilmen.

And if you think the schools represent small business, remember that the new fiscal budget for Daly City is lower than the budgets for both local elementary and high school districts.

Passing of JOHN NEWTON, Colma's soft-spoken and widely admired mayor, shocked everyone.

Though Colma isn't much in size when the census taker comes around, it has been known for its big people. John Newton was BIG. A fine gentleman.

Excuse us if we're a bit jumpy this week. The turmoil in the Middle East has us worried, too.

We're subject to 24-hour recall with the Air Force Fighter Wing at Hamilton Field. Let there be peace.

Kids' Carnival At Marchbanks Next Thursday

Next week it will be carnival-time once again for all Daly City area children living east of Junipero Serra.

On Thursday, July 24, the Daly City Department of Parks and Recreation, the Jefferson elementary and high school districts, and James L. Snell PTA will stage the sixth annual "Penny Carnival" at Marchbanks Park.

There will be hot dog and soda water stands, and for the energetic, booths featuring dart throws, ring toss, bean bag throws and other games of skills for the price of one or two pennies. The collected money will be used to cover the cost of approximately 2000 prizes.

America's Foremost Motorcycle Riders In San Jose Race

The cream of American motorcycle riders, will compete in the second annual 25-mile National Championship Races on the one-mile track at the San Jose Fairgrounds, Sunday, July 20.

A hint that Promoter Ted Smyth will have more than 85 leading racers of both Expert and Class B comes from the latest list of entries, checked off by George Alcalá, AMA rider's representative.

Topping the list are the trio which finished one, two, three in last month's 100-mile National at New Hampshire. They are Brad Andres of San Diego, the winner; Dick Mann, Richmond, and Tom Morris, Jacksonville, Florida. Andres, who also won the "hundred" in Lacombe the two previous years, beat Mann by only 15 seconds.

SUMMER RECREATION

Colma Center Offers Much ... But Few Kids

The mothers of children in the neighborhood of Colma Community Summer Recreation Center on Dunks street have been extremely active in the center's four-weeks old program.

Mrs. June Chessman, Mrs. Ruth Fisher and Mrs. M. Pauline Brown are in charge of programs presented to children. Paul Tapia and Jim Heick take charge of the art and physical education programs. The Mariners of Troop 13 also have been of service to the community center.

Mrs. Chessman is presenting courses in crafts on Wednesdays, from 1:30 p.m. to 3 p.m. Mrs. Fisher is carrying on a program in homes and gardens on Mondays from 1:30 p.m. to 3 p.m. Mrs. Kay Irvine is giving

lessons in play-acting and story telling on Tuesdays and Thursdays from 1 p.m. to 2:30 p.m.

The club has recently installed a ping-pong table and is getting a few more table games. Mrs. Brown, recreation co-ordinator, states that attendance has been considerably less than anticipated. Approximately 100 children signed up, but average attendance during the past week was only 20.

"All children are welcome," she said, "but we particularly urge those who have signed up to attend regularly."

The summer recreation center will close August 1, and open house will be held that day. All interested friends are invited, Mrs. Brown added.

RECREATION ACTIVITIES

Pacifica-Laguna Salada Summer Program Gets Good Attendance

Attendance in Pacifica's summer recreation program for elementary and high school age youngsters has reached a best-ever total, according to a report issued today by Supt. Fred Lucas of Laguna Salada School District.

Lucas said the program will continue for another month.

The city and school district, backed by the contributions of Coastside clubs and volunteers, have made the current program "extremely successful," Lucas noted.

Contributing money and time to the project thus far have been Rockaway Beach Progressive Club, Pacific Manor PTA, Westview PTA, Tam Gamma Chapter of Beta Sigma Phi, H. Clair McMahon, North Coastside Lions, Manor Village Improvement Club, Federated Coastside Women, Linda Mar Homeowners Association, Laguna Salada Teachers Association, American Legion Post 571, North Coastside Lionesses Club, and Ocean Park Manor Homeowners Association. Funds donated by these groups total \$518.

First teenage dance in the joint program drew 200 young folks. Second teen dance is

scheduled this Friday. This event is co-sponsored by the Federated Coastside Women.

More than 800 Coastside children are enrolled in the swimming classes.

Lucas cited a sample of attendance for the overall program. In one two-week period, some 11,130 youngsters participated in the various activities.

BYA Juniors Win Opener In S. F. Loop

Art Colvin's BYA Juniors made a successful debut in the San Francisco Park Recreation League by nudging St. Gabriel's, 1-0, behind the two-hit pitching of Bruce Hix.

Losing pitcher Mike Cregan allowed but two hits also, but they were in the same inning when Hix singled and later scored on Keith Callahan's one-baser. This was the first game Colvin's team played on a regulation diamond in league play.

The two teams meet again Saturday in the Parkmead league.

Yankees Keep Pacifica Lead

Pacifica's Teenage Baseball League's largest crowd Saturday saw the unbeaten Yankees (8-0) roar to an 11-9 win over the Giants (6-2), second place squad.

Bob Simmons, second of three Yankee hurlers, got the victory. Steve Wiedl tossed the Cards to a 17-16 extra-inning triumph over the Braves. Ted Haupt won his first start as the Red Sox tripped the Indians, 9-7.

The Yankees earlier in the week out-homered the Braves, 18-9. Beaver Swanson's no-hitter for the Giants jolted the Red Sox the same day. The performance was the first perfect game this season.

U. S. Championship Motorcycle Races Set For San Jose

The second annual 25-Mile National Championship Motorcycle Races will be staged at the Fairgrounds in San Jose this Sunday, and with champion Joe Leonard unable to compete because of an injury, the \$1000 cash award, the huge gold trophy, and the title are waiting a new champion.

This means there will be plenty of action on the one-mile dirt track as some 35 expert riders and 60 Class B jockeys qualify for a racing position in the nine events.

With Bud Mayes of Dallas, Texas, now in the upper class, the "B" crown is also wide-open, and the 1958 winners could come from the Peninsula.

Hoping to take a part of the \$6500 purse will be: (A) Wayne Bias, Redwood City; Gary Emmick, Menlo Park; Wally Talbert, San Bruno; and Ed Bowman, San Jose. (B) Don Allen, Mt. View; Hubert Kay and Frank Mitchell, Palo Alto; Leroy West, San Mateo, and Hal Kenyon, San Jose.

Promoter Ted Smyth announces all of these riders will compete in the Friday night "warmup" show at Belmont Speedway.

The AMA-sanctioned championships start Sunday at 2 p.m., following the expert time trials at 10 a.m. Qualifying for Class B riders roll at 1 o'clock Saturday.

On July 30, 1942, President Roosevelt signed into law a bill authorizing enlistment and commissioning of women into the Navy and Navy Reserve.

Nurse Tarkington Awaits Diploma

Miss Ada Louise Tarkington of Daly City will receive a diploma from the Kaiser Foundation School of Nursing in Oakland on Friday evening, July 25.

Miss Tarkington is the daughter of Mrs. Irma Tarkington of 133 West Moltke street. She is a graduate of Jefferson High school, class of 1955.

Dr. Clifford H. Keene, medical director of the Kaiser Foundation School of Nursing, will deliver the commencement address. Dr. Arthur Roth will present the diplomas and Mrs. Josephine Coppedge, school director, will preside.

RED CROSS safety instructors in Jefferson High School District's summer swimming program each week have more than 3000 youngsters under their supervision. Terry Christman Keeps Druggists Ahead Of Pack

Terry Christman hurled Daly City Drugs to a 2-0 victory over L'il Village last Saturday to insure first place for his team in the first half of the Sunday Summer League.

Christman's four-hitter allowed the Drugs to keep their record perfect, while L'il Village suffered its first defeat. In addition to his hurling, Christman punched a single to right field to knock in two base

What's Doing At Playgrounds

Frankfort Playground and the War Memorial joined forces for a hike to Thornton's Beach. Forty-one youngsters trekked for a picnic. The big event was the softball game. War Memorial defeated Frankfort, 6-3. The checker tournament at the Community Center was won by Jim Kearney. Jerry Senker is leading the ladder in ping pong.

The Marchbanks baseball school team defeated Jefferson Elementary, 3-0. The baseball school team is composed of Jim Hamilton, Floyd Byrum, Al Tarez, Billy Ellis, Tom Rivas, Ronny Calavano, Rich Balletto, Rocky Brunson, Carl Carpenter, Bob Rasmussen, Larry Scott, Don Towers and Jim Fife.

Last week, finger-painting, folded newspaper animals and stuffed dolls made up the arts and crafts program. Leather crafts will entail the program next week.

Dave Erdmann, Dennis Fife, Joan Lujan, Butch Chalmers, Rosemarie Stabile, Tom Shad-dox and Linda Fagg entered and won the recent tournaments at Marchbanks park. A pet show at Edgewood

Playground was held last week. The Enberg family entered a gopher snake, a bullfrog, polly wogs and a German Shepherd dog. Keren Folk's bird took the best-cared-for pet category award.

The scavenger hunt at Lincoln Playground was a success. The winning team was composed of Geri Ann and May Naughton, Susie Ciolino, Hans and Ann Brouwers, Danny Breen, Terri Chroninger, Jim McEvoy, Sharon Kruse and Eileen Newmann.

Seventy children at Crocke School traveled to the zoo along with nine parents. The latter included Mrs. Susan Lucas, Mrs. Barbara Gudely, Mrs. Dorothy Smyser, Sal Perez, Mrs. Norma Hughes, Mrs. Stura and Mrs. Anderson.

Midget League Clubs Initiate New Park Loop

In the first week of play in the new Daly City Midget Baseball League, the four Police Athletic League teams took it on the chin.

Scores: Westlake Flying "A" 24, PAL Reds 5; San Pedro Lunch 15, PAL No. 1 6; Daly City Reds 16, PAL Giants 1; Portola Yankees 19, PAL Braves 3; South Sunset Whites 10, Broadmoor Youth Indians 9.

John Hughes collected his fourth hit out of five tries in the bottom of an extra inning to knock the winning run across the plate for the South Sunset Whites. Jerry Benson led San Pedro Whites with 3 for 4.

Dan Williams had four of the 16 hits for Westlake Flying "A" while pitcher Ed Perry allowed the PAL Red Sox but three safeties.

ADULT SOFTBALL

Lagomarsino's Nine Deadlocks For Lead

Third week results in the Daly City Adult Softball loop produced a first-place tie between Wm. Lagomarsino's huskies and Ralph's Cleaners. They are unbeaten with 3-0 records.

Lagomarsino's crew socked the Coastside Sea Lions last week, 12-2, while Ralph's eked by Daly City Drugs, 7-5.

The DC Eagles moved into contention with a 16-3 romp over Stumble Inn, featuring fine hurling by Jack Overdorf, who also went 3 for 4 at bat.

B. Menizes checked Ralph's on four hits but was out-lucked. Bill Mendoza's winning mates won via two unearned tallies.
